

UX Visual Designer Cover Letter

5417 Ziemann FordsNorth Issac, PA 22438-2387

Dear Emery Pacocha,

Please consider me for the UX visual designer opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for portfolio examples to show and demonstrate proficiency of design system methodologies and principles, and the impact of your work Well organized & obsessive attention to detail.

My experience is an excellent fit for the list of requirements in this job:

- Punctual and responsive to meetings and invitations
- Can create a common design language across a family of products
- Proficiency with design tools such as Photoshop, Illustrator, Sketch, After Effects, and InDesign
- Experience managing visual designers
- Basic understanding/conversational about popular CMS technologies, front-end web development and HTML5/CSS, responsive web, native app development and trending digital technologies
- Significant experience using standard UX and visual design applications (i.e., Adobe CC, Axure, Sketch)
- Show command of modern front-end technologies and frameworks
- English and German at business level fluency

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Justice Lueilwitz
