

# UX Visual Designer Cover Letter

21796 Schmitt SpursNew Wilmershire, TN 87932-9616

**Dear Charlie Romaguera,**

I am excited to be applying for the position of UX visual designer. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for user Experience (UX) Design expertise in support of the DevSecOps Software Factory for Offensive Cyber Operations (OCO) and Information Warfare (IW) capability development and mission execution.

My experience is an excellent fit for the list of requirements in this job:

- Advanced knowledge and skill in using Photoshop, Illustrator and Invision
- Knowledge of how to best design to solve business and user problems
- Experience with design tools such as Balsamiq, Sketchflow, Photoshop, Visio, or Dreamweaver
- Enjoy the scrutiny of millions of passionate players
- Be collaborative, communicative, and happy thinking aloud
- Be committed to continuously learning
- Have experience with user centred design
- Have experience with or curiosity of agile and lean philosophies

**I really appreciate you taking the time to review my application for the position of UX visual designer.**

Sincerely,

Tatum Sauer
