

# Valuation Risk Controller Cover Letter

9102 Towne Roads  
Port Son, MA 79956

**Dear Quinn Mueller,**

Please consider me for the valuation risk controller opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for support for pricing of loans, deposits, and other fee income products within the line of business.

My experience is an excellent fit for the list of requirements in this job:

- Solid analytical, mathematical, modeling, and research skills
- Computational skills using VBA / Excel
- Enhancing prudent valuation and IPV methodologies system enhancements
- Assignment of Fair Value Measurement Levels
- Validating of the value of our trading portfolios
- Provisioning of reliable and meaningful financial information to the business managers, external partners and other relevant internal constituents
- Production of the monthly prudent valuation capital charge, ensuring valuation uncertainty is appropriately capitalised in accordance with regulatory technical standards
- Good communication skills and be a strong team player as it is important to interact successfully with the broader control function and business unit

**Thank you for considering me to become a member of your team.**

Sincerely,

Blake Hettinger
