

Valuation Risk Controller Cover Letter

471 Adena PrairieAndersonburgh, WV 60280

Dear Armani Reilly,

I am excited to be applying for the position of valuation risk controller. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for an oversight review of loan pricing, commission calculations, aging of loans available for sale, gain on sale margins, and other key financial activity of the mortgage division.

My experience is an excellent fit for the list of requirements in this job:

- Present to and communicate with traders regularly to convey valuation results and discuss marking methodologies
- Review valuation and risk models, while working closely with model developers
- Enhance and streamline existing working processes
- Understand global financial markets, follow market movements and comprehend the impact on the portfolio and firm

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

River Russel
