

# VAT Manager Cover Letter

23332 Jast Heights Port Lanitashire, WV 81206-6038

**Dear Rory Farrell,**

I submit this application to express my sincere interest in the VAT manager position.

Previously, I was responsible for vAT advice to the Group to ensure it remain VAT compliant, to include direct involvement in various VAT projects driven largely by restructuring and M&A activity.

Please consider my experience and qualifications for this position:

- Familiarity with import/export trade compliance for customs duty purposes
- Broad exposure to international indirect tax concepts
- Graduate in a relevant field
- Detailed knowledge of VAT legislation and practice, preferably with experience of the charitable sector, including building and construction and methods of partial exemption applicable to the higher education sector
- Able to explain difficult concepts in a straightforward way
- Knowledge of PAYE and NI legislation
- Previous experience of managing employees
- Hands on, problem solver, result oriented but focused on customer satisfaction

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Stevie Hills
