

Video Manager Cover Letter

888 Dylan RowMannhaven, PA 60535-3913

Dear Avery Krajcik,

I submit this application to express my sincere interest in the video manager position.

Previously, I was responsible for management of all aspects of video conferencing and collaboration for the European footprint.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Multimedia Editing
- Tech Savvy, MS Office, MS Project, iMovie or Equivalent
- Email, Text, Camera, GoPro
- Latest Communication Tools / Technology
- Expert in Adobe Creative Suite (Especially Premiere Pro and After Effects)
- Energetic personality, hunger for learning, driven soul, passion for projects
- Passionate about storytelling and making things look beautiful
- Experience with product launches, strategic communications, executive communications and project management

Thank you for considering me to become a member of your team.

Sincerely,

Lennon Hammes
