

Video Manager Cover Letter

3366 Tyler RadialEast Burmaview, CO 71528

Dear Zion Blanda,

I submit this application to express my sincere interest in the video manager position.

In my previous role, I was responsible for aV / Tech support to Coaches, Staff and all other personnel involved with Football.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience in manufacturing environments (supply chain and product industrialization)
- Excellent communication and English skills, both in oral and written
- Create innovative tactical and strategic approaches to meet and exceed business objectives when faced with an obstacle or a customer concern
- A dynamic and enterprising personality
- A good sense for design, typography, design and music
- Solid experience in management of people and teams
- Demonstrated experience working in a multi-project design/production environment
- Strong written, communication, and interpersonal skills—diplomatic, professional, resourceful, patient, and friendly

I really appreciate you taking the time to review my application for the position of video manager.

Sincerely,

Sutton Bauch
