

Video Manager Cover Letter

72960 Rau StravenueLake Van, SC 90550-4133

Dear Peyton Hintz,

I would like to submit my application for the video manager opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for continuing education and training of EPDP tools to users of engineering processes and systems through formal classroom setting and one-on-one coaching.

Please consider my qualifications and experience:

- Working knowledge of Zodiac and Active Video platforms
- Working knowledge of VOD, SDV, CDN architectures and operations
- Strong experience in agile project management, meeting deadlines, and support activities
- Should be fluent in KPI & metrics management (Delivering service that meets SLAs and achieves high level of client satisfaction)
- Should be able to collaborate across the organisation
- Capable of adapting and responding to changing situations
- Affinity with numbers, data and information analysis
- Demonstrable experience in managing a team or cross-functional team delivering new software features - preferable for mobile or connected TV platforms

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Reese Altenwerth
