

Visual Artist Cover Letter

1451 Tristan MillJoslynbury, AZ 35434

Dear Greer Hyatt,

I submit this application to express my sincere interest in the visual artist position.

In my previous role, I was responsible for strategic and tactical leadership to the VSL visual merchandising team and pro-actively identify ways to develop top talent.

My experience is an excellent fit for the list of requirements in this job:

- Able to understand and lead a team to address requests for revisions
- Creative problem solving abilities and a passion for leading teams
- Extensive visual background
- Excellent knowledge of Nuke and good knowledge of 3D software (maya/Houdini)
- Excellent knowledge of shortcuts available to create powerful visuals under pressure and short turn around times
- Good attention to detail and a proactive approach to identify and resolve visual issues in order to maintain quality and logic within the outputs
- Good work ethic and methodology
- Able to create organised scripts / scenes / 2D documents even under tight deadlines

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Denver Klocko
