

# Visual Artist Cover Letter

2453 Estella LakesLake Madisonport, MT 96406-1873

**Dear Max Connelly,**

I submit this application to express my sincere interest in the visual artist position.

In the previous role, I was responsible for an inspirational shopping experience through the placement of merchandise, styling and dressing of mannequins, and setting up window visual displays, as per company standards.

Please consider my experience and qualifications for this position:

- Good understanding of practical cameras and photography
- Good knowledge of modeling / lighting / FX is desirable
- Eagerness to learn and level-up – we are open to applicants who do not possess a background in film VFX, and can provide training where relevant
- Excellent problem solving and project management experience
- Portfolio and/or reel showing UI and motion design in varying visual styles, for platforms including mobile, 3D applications and/or games
- Excellence in motion graphics and typography
- Proficient in iterative UI/UX design, including sketches, wireframes, concept, and style development
- Excellent visual, communication, and presentation skills to help others understand decisions

**I really appreciate you taking the time to review my application for the position of visual artist.**

Sincerely,

Bellamy Schmitt
