

Visual Designer Cover Letter

1172 Clinton FallSouth Wilfredview, MO 63890-0803

Dear Max Russel,

I submit this application to express my sincere interest in the visual designer position.

In the previous role, I was responsible for feedback, recommendations and best practices on the look, feel and usability of application flows and their user interfaces.

My experience is an excellent fit for the list of requirements in this job:

- A well-crafted and curated online portfolio
- A solid intuition of best practices and tools used in user-centered interaction design
- Mobile experience (native apps, responsive web design, etc)
- Past experience on teams that have created new products improved existing ones
- Experience creating visual composites and style guides
- Knowledge of the latest design + technology trends across form factors
- Experience with measuring design solutions against business objectives
- A portfolio of excellent work

I really appreciate you taking the time to review my application for the position of visual designer.

Sincerely,

Gray Kohler
