

Visual Designer Cover Letter

542 Carter WalkBrunoside, ID 69155

Dear Rowan Watsica,

I am excited to be applying for the position of visual designer. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for creative and innovative solutions to visual and interaction problems that are easy to comprehend and implement.

Please consider my experience and qualifications for this position:

- Creating Whiteboard animation videos using tools such as VideoScribe
- Creating Animations using tools such as Adobe After Effects, Adobe Edge, Adobe Animate
- Portfolio that
- Designing UIs for different platforms (iOS, Web, Android)
- Creating icons , logos and illustrations
- Experience collaborating with and managing feedback from a broad range of cross-functional stakeholders
- Deep appreciation for the end user experience, and thorough understanding of basic web and UX design principles
- Knowledge of and familiarity with cloud computing terms, concepts, and audiences

Thank you for considering me to become a member of your team.

Sincerely,

Briar Gottlieb
