

Visual Effects Artist Cover Letter

1328 Weimann Roads New Goldenburgh, KS 72333

Dear Jordan Dach,

Please consider me for the visual effects artist opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for recommendations as a specialist in design and develop system program controls to support and implement the presentation of video, audio and satellite teleconferences.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience with Primary focus - Premiere Pro, After Effects, Photoshop and Audition
- Highly proficient in Maya, and in working with joints and locators, keyframing, rigid body simulations, hard surface modeling, and UV mapping
- Highly proficient in Photoshop for painting and editing textures
- In-depth knowledge of working with node-based shader networks
- Proficient in Maya, competent working with joints and locators, keyframing, rigid body simulations, hard surface modeling, and UV mapping
- Proficient in Photoshop for painting and editing textures
- Proficient with node-based shader networks
- Work with the Creative Director, Art Team, and Design Team, on creation and implementation of VFX for character abilities, spells, combat visuals and environmental FX

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Finley Wiegand
