

Visual Effects Artist Cover Letter

41097 Ullrich Plaza
New Ozzie, IL 60883

Dear Blake Vandervort,

I am excited to be applying for the position of visual effects artist. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for virtual training to appropriate trainers, support staff and PSJH employees on use of collaboration related video technologies, processes, hardware and software.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- At least 2 shipped products as a visual effects artist
- Deep knowledge of the VFX tools of the Unreal 4 Engine
- A solid understanding of form, color, and lighting
- Great painting, texturing, and 3D modeling skills
- Self-motivated, well organized, and a great team-player
- Agile project environment exposure
- Excellent technical skills and a command of various aspects of video production, including but not limited to design, typography, compositing, rotoscoping, color correction, retouching, and motion graphics and animation
- Best practices for the use of Adobe After Effects, Premiere, Photoshop, Illustrator, Cinema 4D (including Redshift), Mocha Pro

I really appreciate you taking the time to review my application for the position of visual effects artist.

Sincerely,

Emery Crooks
