

VP-Investment Cover Letter

21504 Vandervort SpringsLittelstad, OR 29493-4965

Dear Spencer Kuhic,

I am excited to be applying for the position of vp-investment. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for eSG investment commentary, particularly around environmental best practice, to external stakeholders, media and at industry events.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Evaluate and diligence performing, stressed and distressed investment opportunities as part of a deal team
- Review investment documents, including but not limited to indentures and credit agreements, related security and ancillary documents shareholder agreements
- Preparation of investment committee materials for new investments and updates on existing investments
- Active monitoring of existing investments and industry dynamics
- Flexibility to look at primary and secondary opportunities
- Strong presentation skills for Home Office and Field leadership audiences and events
- Strong programming skills (Matlab, Python, SQL) and a strong understanding of the use of computational algorithm and techniques for analysis and reduction of large data sets
- Measure, monitor and independently assess risks in investment activities and escalate issues/concerns to senior management

I really appreciate you taking the time to review my application for the position of vp-investment.
