Dear Spencer Waters,

I am excited to be applying for the position of vp-investment. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for support in the preparation of comprehensive analyses relating to the financial performance of the Company's capital investment portfolio to support the information and decision needs of senior management.

My experience is an excellent fit for the list of requirements in this job:

- Writing and improving procedures
- Working at all times within the controls framework and striving to improve the controls within BAU processes, update and development of procedures
- Involvement in PAG regional and global projects as applicable
- Subject matter expert for Performance and Attribution
- And/or global markets
- Knowledge of the return drivers of global asset markets across various instrument types
- Able to apply technical and analytical knowledge to solve client investment needs
- Possess outstanding communication and presentation skills

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Max Tromp
