

VP-Investment Cover Letter

71026 Hyman Springs East Dolly, NH 76865

Dear Peyton Jakubowski,

I would like to submit my application for the vp-investment opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for internal leadership and contribute to growth and differentiation of firm by developing industry leading WS capabilities and thought leadership; communicate this by authoring articles and speaking at various industry forums and JLL client events.

My experience is an excellent fit for the list of requirements in this job:

- Collaborative and flexible style, with a strong service focus
- Well organized and self-directed individual capable of performing with limited oversight
- Knowledge of the key processes for maintaining the accounting ledgers of the legal entity
- This is a client facing role and will involve working closely with the Product Specialist team
- This role will have a trading mandate to manage Liquidity Buffers and excess liquidity to optimise the risk return of investment assets, within applicable constraints, to partially offset the funding cost of holding the buffers
- Advise on optimising structural hedging program
- Invest in floating rate assets to generate hedge accounting capacity for the firm
- This role is a replacement hire post a mobility opportunity

Thank you for considering me to become a member of your team.

Sincerely,

Rory Olson
