

VP, Project Manager Cover Letter

88447 Feeney VistaPort Bo, WA 05918-0012

Dear Rory Hessel,

Please consider me for the VP, project manager opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for expertise and support in Organizational Change Management as well as experience in combining Organizational Change Management into the fabric of the Project Management process.

My experience is an excellent fit for the list of requirements in this job:

- Track production issue and release fixes
- Provide Project management of various new and ongoing Client Change Projects in the third party OTC space
- Be a key partner to Operations globally, work on issues raised by them and provide Production support as needed
- Perform reviews of processes in Operation, conduct analysis on numerous on-going projects
- Conduct workshops and sessions with business users to ensure smooth management of release cycle within the Operation Systems
- In depth knowledge of key distribution and supply chain processes and current best practices
- Strong background in contemporary distribution and supply chain tools and methodologies to drive efficiencies
- Experience in supply chain technologies such as Manhattan WMS & SAP

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Gray Franecki
