

# VP, Project Manager Cover Letter

6540 Dorotha IsleSouth Isadora, LA 66912

**Dear Landry Bradtke,**

I am excited to be applying for the position of VP, project manager. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for project management support to on-going process areas such as supplier management, CAPAs, risk management and training.

Please consider my qualifications and experience:

- Should be a self-starter who can pick-up things quickly and learn on-the-job
- Previous experience on applications analysis, design and development of IT systems that involves technical interfaces across multiple systems
- Should have had prior experience in development & production support functions
- Agile ScrumMaster certification is an advantage
- Experience in Java based projects will be an advantage
- Technical development and management experience in Compliance Surveillance, Trading Technology or Quantitative Risk Management preferred
- Extensive experience with Agile delivery
- Knowledge of compliance with regulatory requirements preferred

**Thank you for considering me to become a member of your team.**

Sincerely,

Justice Grant
