

Web Admin Cover Letter

7566 Schinner Alley Lakendraview, NM 30422-8544

Dear Riley Boyle,

I am excited to be applying for the position of web admin. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for technical consultation and direction on web application design, architecture and system performance, and evolving technologies.

Please consider my experience and qualifications for this position:

- Experience with application performance management tools (such as Opnet ApplInternals Xpert) and data analysis tools (Splunk)
- Knowledge of caching technologies such as Varnish
- Experience with searching technologies
- Experience with clustering and load-balancing applications
- Experience with Opentext Vignette products
- Demonstrated passion for the Web, such as active involvement in industry groups
- Knowledge of caching technologies such as Coherence
- Leadership aptitude and experience is valuable

Thank you for your time and consideration.

Sincerely,

Ari Schinner
