

Web Admin Cover Letter

92844 Myles WallAntoniolet, NY 18848

Dear Frankie Bruen,

I would like to submit my application for the web admin opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for operational support on Informatica Analyst, Glossary, Single node or Grid setup, Apache/Tomcat and troubleshoot related issues.

My experience is an excellent fit for the list of requirements in this job:

- Basic HTML file editing experience
- Knowledge of Drupal and Symphony frameworks
- In-depth experience in PHP apps deployment (SCP, Git, Shell scripting), monitoring (Nagios, Sentry, 24x7) and troubleshooting (logs analysis)
- Knowledge of LAMP/LEMP/web stacks (SSL, Haproxy, Nginx, Apache, PHP, Mysql, Postgresql) is nice to have
- Provide L2 operational support on rotation
- Experience in designing website or media/programme for related social, design, education, community development or social innovation projects
- Demonstrated experience in website design, programming, or communication
- Knowledge and experience in Business Intelligence and Reporting to provide expert level support for the Web Focus BI Intelligence Tool

I really appreciate you taking the time to review my application for the position of web admin.

Sincerely,

Greer Miller
