

# Web Application Cover Letter

4045 Simonis VillageLeuschkeborough, FL 20630

**Dear Dallas Kozey,**

I would like to submit my application for the web application opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for technical support in the production of multimedia-based layouts, graphics, animations, video and sound; design web interfaces and develop layout design/content; select illustrative materials for use ensuring consistency, accuracy and compliance with all standards.

Please consider my experience and qualifications for this position:

- Authorization frameworks such as Oauth2, SAML, JWT or others
- Open source web mapping tools (Leaflet, Mapbox, OpenLayers)
- Intimate experience with CSS3 capabilities (especially complex animations)
- Track record of moving a project from start to finish
- Understanding of SQL databases
- Extensive experience with data analysis, testing, and debugging
- Mobile Java SE J2EE PHP AJAX JSON Restful Web services
- Mocha JUnit Istanbul JSHint (GitHub Jenkins Gulp NPM Apache ANT

**Thank you for your time and consideration.**

Sincerely,

Sutton Feest
