

Web Support Cover Letter

8947 Jamar IsleNew Lucioland, FL 80487

Dear Marion Mann,

In response to your job posting for web support, I am including this letter and my resume for your review.

In the previous role, I was responsible for mentorship, supervision and support for CLA staff, student workers, interns and independent contractors focused on social media and website management.

Please consider my experience and qualifications for this position:

- Demonstrable previous success in one of the following
- Multiple work stream
- Knowledge in web designs
- Intermediate/Advanced skills in working a variety of web duties on web sites, pages, and components
- Well-versed in Adobe Experience Manager or other Content Management System. Well-versed in the Apache web server and with Linux
- Understanding of graphic and interface design principles
- Experience developing Web solutions that meet the needs of a defined user base
- Working experience with Web development tools and technologies

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Avery Wuckert
