

Webmaster Cover Letter

9712 Gregory Divide
Pricestad, NV 09025

Dear Emerson Nicolas,

In response to your job posting for webmaster, I am including this letter and my resume for your review.

In the previous role, I was responsible for webmaster services for AMIS and creating and updating Radio Frequency-Intransit Visibility (RF-ITV), Transportation Coordinators'-Automated Information for Movements System II (TC-AIMS II), and AMIS Government Wide Acquisition Contracts (GWAC) Indefinite Delivery/Indefinite Quantity (IDIQ) contracts documents in the AMIS website.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- SEO (understands the technical factors that feed into SEO and be able to help implement those items within websites)
- Basic image editing skills using tools such as Photoshop suite (or other image editing software)
- Knowledgeable on web standards and plug-in implementation
- High level of attention to detail and teamwork
- Familiarized with analytics and SEO tools
- Proven knowledge of Photoshop and Illustrator
- Knowledge of HTML, CSS, JS
- Good-eye for content and application development opportunities

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Rowan Kautzer
