

Welder Helper Cover Letter

66922 Jerrie Centers East Marcel, NM 61628

Dear Phoenix Kassulke,

I would like to submit my application for the welder helper opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for supervisor with accurate daily production data • Maintains tools and equipment in proper working order and performs preventative maintenance • Maintains adequate supplies for welding area • Maintains a safe, neat, and orderly work environment in order to produce products at the highest quality level • Maintains the security and confidentiality of our customer's products and documentation • Exercises respect for coworkers and the work environment • Trains and assist co-workers with determining best methods to achieve desired results in a timely manner • Devises and utilizes welding fixtures to facilitate extremely close exacting welding of all types of special components, working in accordance with company/customer specifications • Works with customers and engineers on developing detailed weld schedules and design/development of tooling • Works under minimal supervision on duties and tasks that may not be standardized, selecting from instructions that may or may not be formally documented and established.

Please consider my qualifications and experience:

- Stoop/bend/kneel/crouch/climb on occasion
- Frequent lifting up to 40 lbs., occasional heavier lifting up to 60lbs
- Frequent sitting, standing, stooping, bending, twisting, walking and occasional crawling
- Frequent pushing, pulling and handling of materials
- Minimum 6 months Welder Helper experience (preferably oilfield)
- Applicable training by an approved construction trade association (E.g., Ariel lift, Confined space, COPS Passport)
- Demonstrate characteristics such as self-motivation, integrity, creativity, respectfulness, kindness, trustworthiness, team player, good listener

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Finley Bahringer
