

Welder Helper Cover Letter

14628 McLaughlin Grove Lake Nakeshaside, WA 98884-5981

Dear Azariah Steuber,

I submit this application to express my sincere interest in the welder helper position.

Previously, I was responsible for physical assistance for fitter or Technician to complete assigned job.

Please consider my experience and qualifications for this position:

- Able to complete work under time pressures and to maintain composure under the stress of emergent situations
- Construction Safety Training Systems (CSTS-09) Certification require
- Concern for Safety at all times
- Proficient at reading details and blueprints
- Current Registered Trade Apprentice, or Journeyman Certification and/or Interprovincial Red Seal
- Valid Spark Watch ticket
- Completion of a pipe welder program at a vo-tech school or other training school
- Successful completion of a welding technical training certification program will be allowed in lieu of experience requirement

Thank you for considering me to become a member of your team.

Sincerely,

Dakota McGlynn
