

# Windows Server Administrator Cover Letter

20320 Durgan RoadHermistonborough, AZ 48253

**Dear Tyler Wiza,**

I submit this application to express my sincere interest in the windows server administrator position.

In my previous role, I was responsible for systems Administration to core Corporate IT Windows Server Platforms and Applications like Active Directory, MS Exchange Email/Messaging (On-Premise and O365) and Lync/Skype Collaboration Application (as Primary), and Virtual solutions/platforms like Citrix XenApp and XenDesktop, SFTP/GlobalScape technology (as Secondary).

Please consider my experience and qualifications for this position:

- Routing, switching and firewall fundamental
- Microsoft Azure and StorSimple
- VMWare Vcenter and Vsphere experience
- Network Storage and Configuration
- Powershell scripting understanding and utilization
- Demonstrated strong customer service & troubleshooting skills
- Demonstrated strong team building, consulting, and facilitation skills
- Available for 24/7 support when needed

**Thank you in advance for reviewing my candidacy for this position.**

Sincerely,

Morgan Marks
