

Example of Animal Programs Job Description

Powered by www.VelvetJobs.com

Our company is growing rapidly and is looking to fill the role of animal programs. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

Responsibilities for animal programs

- Responsible for high-volume guest interaction, including resolution of issues which may arise
- Responsible for ensuring safe work practices at all times
- Ensure adherence to highest standards in all areas of responsibility
- Care and maintenance of a variety of species
- Able to operate landscape equipment including mowers, weed-eaters, pruning tools, and various other devices
- The ability to give dynamic public presentations to our park guests
- Daily record keeping
- Provide physical stimulation and mental challenges for our animal population
- Perform other duties as assigned according to business need
- Provide leadership in planning, implementing, evaluating, and reporting the impact of a state-wide, county-based, small ruminant Extension program

Qualifications for animal programs

- Skills to assess ongoing and potentially changing personnel needs within the established budget and requests for revisions to the budget
- Master of Science (M.S.) degree in Animal Science or a closely related field
- Practical knowledge pertaining to animal agriculture
- Experience showing/exhibiting livestock and/or equine
- Experience in event planning and logistical coordination of large-scale events
