Powered by www.VelvetJobs.com

Our company is growing rapidly and is looking to fill the role of commercial leadership program. If you are looking for an exciting place to work, please take a look at the list of qualifications below.

Responsibilities for commercial leadership program

- Rotations will be mapped to strategic commercial functions, including marketing, market access, market research, sales, business development and strategic initiatives
- Experience working in international matrix organization
- Ability to influence and negotiate while maintaining a strong focus on customer service
- Ability to work independently and handle multiple priorities in a lean environment
- Flexibility to travel and open to relocation
- Genuine interest to discover other countries and cultures
- As you progress through the program, you will have frequent evaluation sessions to help you progress in your career and determine your proficiencies using an established competency model, receiving constant coaching and guidance
- The program will involve four separate rotations and job functions across a two-year time frame
- This means that your day-to-day responsibilities will vary over the two years, and will provide you with flexibility to be involved with a range of projects
- Throughout the different parts of the program, you will be encouraged to improve your skills, find out what your talents are and be able to reflect about this by determining your proficiencies using an established competency model in frequent evaluation sessions
