

Example of Content Job Description

Powered by www.VelvetJobs.com

Our company is growing rapidly and is hiring for a content. We appreciate you taking the time to review the list of qualifications and to apply for the position. If you don't fill all of the qualifications, you may still be considered depending on your level of experience.

Responsibilities for content

- Manage and administer relationships externally with content partners and agencies
- Support management of content aspects of campaigns
- Liaise with the US and International digital teams
- Manage, write, and edit reports, newsletters, and updates
- Perform any other duties as appropriate to the role
- Creating and maintaining his/her own success metrics
- Being available for on-call scheduling with occasional after-hours calls required
- 5 to 7 years experience in writing, customer support, or technical writing with proofreading and editorial experience
- Understanding of writing for a global audience, including translation and localization demands, a plus
- Able to establish and foster strong working relationships with all levels of the organization including executive leadership

Qualifications for content

- A background in luxury lifestyle and/or real estate editorial
- An exceptional eye for detail and the willingness to get hands dirty around
- Experience selling mobile display or video DSP strongly preferred
- Observe and anticipate trending topics and pitch timely, shareable hooks on

- Work within an editorial calendar and lead high-level planning of monthly, weekly, and daily content
- Develop must-click, must-share headlines and titles
