

Example of Corporate Finance Associate Job Description

Powered by www.VelvetJobs.com

Our growing company is looking to fill the role of corporate finance associate. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

Responsibilities for corporate finance associate

- Develop and implement liquidity and stress testing models
- Direct overall marketing initiatives (infomercials, e-mail campaigns, webinars, pitchbooks)
- Provide client demonstrations and on-boarding at conferences/meetings
- Advising our corporate, financial and private investor and government clients in a wide variety of complex and challenging transaction scenarios
- Providing in-depth analysis of the key commercial and financial aspects of organisations, in addition to assessment of their future strategic and financial plans
- Demonstrate an understanding of the key clients and industries within the Consumer & Healthcare sector and use this understanding to effectively identify and originate business opportunities from existing and prospective clients
- Provide in depth analysis to support credit applications for new financing transactions
- Assist in coordinating and executing bank business transactions with the relevant internal product groups and business functions
- Provide effective support to the Senior Director / Director in charge of Consumer & Healthcare and help them manage the overall client portfolio
- General support of ECFD's ongoing business requirements

- Essbase, SAPCO, Clarity project tool knowledge a plus
- Bachelor Degree required (Finance, Economics major preferred)
- Computer proficient – MS Excel, MS Word and MS PowerPoint (MS Visio would be a plus)
- Transfer pricing experience would be helpful
- Minimum of 5 years of experience in project finance covering the power and infrastructure sectors
- The candidate must be self-motivated and able to thrive in an intense and energetic environment running multiple deals with multiple responsibilities
