Our company is growing rapidly and is looking for an education supervisor. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

**Responsibilities for education supervisor**

- Train and coach in thinking skills, innovation, process improvement, management topics, teamwork
- ISD and curriculum design using ADDIE, extensive training delivery via classroom, blended, or electronic mediums in a range of learning topics
- Oversees Intranet and Web development, including planning and scheduling in collaboration with internal customers and management
- Creates the look and feel for, and manages content for Intranet sites
- Oversees the annual and routine maintenance or updates to online help
- Generates and implements creative Web solutions in support of BlueCross employee communication and strategic objectives
- Designs and builds Web pages that effectively communicate information, ideas and strategies
- Leads in the initial planning, client meetings and other matters concerning overall graphic design
- Monitors Intranet-related costs and performance
- Serves as a designer, consultant and content manager for all internal Intranet sites

**Qualifications for education supervisor**

- Must be willing to utilize personal vehicle for business purposes
- Must possess a driving record that meets the LLC requirements, including
• Bachelor’s degree in Education from an institution accredited by an agency recognized by the U.S. Department of Education required or related field or equivalent related experience
• Management Experience (3+ years or related experience)
• Master’s Degree in Education from an institution accredited by an agency recognized by the U.S. Department of Education or related field
• Ability to communicate in both written and verbal forms to all audiences, including university leadership groups
