

Example of Field Technician Job Description

Powered by www.VelvetJobs.com

Our growing company is looking for a field technician. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

Responsibilities for field technician

- Assist with tech support
- Assist with site monitoring to perform site evaluations following start-ups
- Aid in the development of engineering/technical bulletins
- Work closely with the sales team to respond quickly to client requirements
- Troubleshoot complex chemical analysis systems that lack documentation
Interact with engineers, manufacturer s representatives, and field personnel in troubleshooting and developing modifications, substitutions or, corrections to equipment to reduce breakdowns and/or simplify repairs, servicing or operation
Read and interpret drawings, specifications, and schematics of complex operational systems that create and use many interlocking signals
- Communicate clearly and concisely, both orally and in writing
Learn and observe all appropriate safety precautions as required, including, but not limited to, OSHA General Industry Safety Orders, Respiratory Protection Program, and Safety Directives
- Candidate must be able to follow written and oral instructions regarding sampling procedures and carry out tasks safely with minimal supervision and oversight
- Candidate must successfully pass a medical screening exam to ensure that he/she can respond to incidents involving hazardous materials
- Due to the nature of the job requirements, work hours are subject to change to accommodate the needs of the customer (shift work on-call, weekends, and holidays as needed)

Qualifications for field technician

- Valid driver's license required, experience with small boats, and operating vehicles strongly preferred
- Availability to work in Guanambi
- Assist Water and Buried Infrastructure staff with field inspections
- Field work capabilities
- Possess basic report writing skills
- Valid Victorian drivers licence
