

# Example of Fit Model Job Description

Powered by [www.VelvetJobs.com](http://www.VelvetJobs.com)

Our growing company is searching for experienced candidates for the position of fit model. If you are looking for an exciting place to work, please take a look at the list of qualifications below.

## Responsibilities for fit model

- Ability to stand for extended periods, change clothes frequently, and wear pregnancy “bellies”
- Participate in fit sessions by giving proper feedback on how the garment fits and feels on the body, including wear ability and comfort, to ensure the proper fit corrections are made
- Must wear appropriate assigned uniform pieces (bellies) along with footwear applicable to the garment being fit
- Understand the goal of the fit session and provide appropriate feedback to design team to support meeting the desired outcomes and goals of the fit
- Must maintain physical fit-body measurements, size, shape, proportions
- Model all types of apparel for fittings
- Communicate fit information with detail and accuracy
- Provide feedback and identify concerns about technical/functional fit
- Perform some clerical work during down time
- Maintain physical fit – key body measurements, size, shape, proportions, and composure representing the target body identified by the brand to ensure fit consistency within the brand

## Qualifications for fit model

- Must meet and maintain consistent shape, proportions and measurements noted above
- Ability to communicate fit information in a clear, detailed manner

- Able to complete admin tasks when not fitting shoes
- Have a consistent size 37 foot throughout all types of shoes
