

# Example of Intern Design Job Description

Powered by [www.VelvetJobs.com](http://www.VelvetJobs.com)

Our company is growing rapidly and is looking for an intern design. We appreciate you taking the time to review the list of qualifications and to apply for the position. If you don't fill all of the qualifications, you may still be considered depending on your level of experience.

## Responsibilities for intern design

- Design motion graphic productions based on needs, budget, timeline
- Create engaging motion graphic deliverables using programs such as Aftereffects
- Assist with E-learning authoring
- Create and assist graphics and design layouts for print ads, flyers, email, digital assets, blog, and social media accounts
- Keep track of appointments and meetings
- Keep racks organized by season and delivery
- Organize binders and helping with lab dip and fabric approvals
- Build inspiration boards
- Update line sheets and design files
- Help with CADs and artwork development

## Qualifications for intern design

- Must be able to work/intern for seven (7) hours per week in our office located in Boca Raton, FL
- Candidates will be asked to provide their design portfolio (including print and web work)
- Knowledge of and experience with our game franchises, specifically Hearthstone
- A strong sense for what makes a gameplay experience compelling and fun

- Great understanding of layout and typography
