Powered by www.VelvetJobs.com

Our company is searching for experienced candidates for the position of markets manager. To join our growing team, please review the list of responsibilities and qualifications.

Responsibilities for markets manager

- Serve as lead reviewer for all types of reviews
 - Work as a Project Manager within the New Markets team, supporting Agile software development practices with all team members
 - Build strong cross-departmental, collaborative relationships with Product, Newsroom, Design, Technology, Advertising, Marketing, Audience Development, and external vendors, becoming a trusted partner and gaining confidence of stakeholders
 - Meets regularly with Team Leads to understand project and program status
 - Maintains project milestones and manages roadmap and release planning with Product Leads, actively monitoring project risks and scope creep to anticipate potential issues and proactively identify solutions
 - Write or drive collaboration around the creation of functional specifications, user stories, or actionable tasks and documentation
 - Coordinates with the QA group on development projects and ensures that assigned projects are properly tested
 - Coordinates and collaborates with other technology teams within the Times
 - Responsible for assessing the impact of tax law development / legislative change and developing the strategy, tax policy and processes for the organisation to address the changes
 - Establish and foster strong relationships with the business, finance and regulatory community, in order to provide focused and business specific tax advice and approvals
-

- Minimum of 3 years of relevant experience, preferably within a television programming distribution/sales department or comparable setting
- High-level and consistent attention to detail
- Can handle multiple tasks simultaneously, and adhere to strict deadlines
- Highly motivated and confident self-starter, with the ability to work well under time constraints
- Strong interpersonal skills in order to build relationships and trust with Distributors, Hotel Partners, the Sales Field and other groups within Showtime
- Creativity is needed to identify, plan and execute materials that meet SNI and Distributor/Partner objectives
