

Example of Mason Job Description

Powered by www.VelvetJobs.com

Our growing company is hiring for a mason. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

Responsibilities for mason

- Move materials, mix mortar, and any other logistical work needed to prepare for masonry unit installation
- Plan, organize, and communicate production goals with crew members, crew supervisors, trade contractors, and customers
- Establish relationships with all parties involved in the construction process, providing strong leadership and problem solving skills
- Install and complete major hardscape construction projects
- Train crew members on best practice construction standards
- Be safety minded
- OSHA 10 is a plus
- Perform various types of rough and finish masonry work, such as laying brick, concrete finishing, insulating furnaces and equipment, and plaster interior and exterior walls, slide gates, runner inserts
- Ability to lay brick, block, stone and or precast
- Ability to build masonry leads

Qualifications for mason

- You will protect structures or surfaces near work areas to avoid damage
- You will clean equipment or facilities
- You will apply coats of plaster or stucco to walls, ceilings, or partitions of buildings, using trowels, brushes, or spray guns

- You will cure freshly plastered surfaces
