

Example of National Security Job Description

Powered by www.VelvetJobs.com

Our company is looking to fill the role of national security. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

Responsibilities for national security

- The candidate shall provide support analyzing the Planning, Programming, Budgeting and Executive (PPBE) process, congressional authorization and appropriations legislation, and development of DoD Policy Directives
- Provides advice and counsel to Federal personnel with respect to the protection of National Security Information (NSI)
- Depth of experience in a Security Practice or business Management role
- A proven track record in the sales and delivery of complex Security solutions and services
- Demonstrated capability to build effective partner and client relationships
- Proven experience managing budgets and a P&L
- A reputation as an inspiring leader – you've undertaken both people and functional management roles, with direct and dotted line reports
- Proven standing as a Security industry thought leader, across market trends and the competitive landscape
- True passion for technology
- The willingness to undertake regular domestic travel to visit teams and clients, occasional overseas travel

Qualifications for national security

- Bachelor's degree - Liberal Arts, Criminology, Criminal Justice, Homeland Security, International Affairs, Government or other fields requiring research

- Education requirements can be substituted with an Associate's Degree currently working towards a Bachelor's, or 4+ years of law enforcement or military experience
- Must be living within the DMV area or be willing to relocate
- Bachelor's degree in Criminology, Criminal Justice, Homeland Security, History, Sociology, Psychology, or other related field
- Residence in the Washington D.C
- Bachelor's degree from an accredited college/university majoring in Business, Program Management, Criminal Justice, Criminology, Cyber Security, Homeland Security, Social Work, Human Resources, Political Science, International Affairs, or other related fields
