

# Example of Product Photographer Job Description

Powered by [www.VelvetJobs.com](http://www.VelvetJobs.com)

Our innovative and growing company is hiring for a product photographer. Please review the list of responsibilities and qualifications. While this is our ideal list, we will consider candidates that do not necessarily have all of the qualifications, but have sufficient experience and talent.

## Responsibilities for product photographer

- Photograph a variety of products with various lighting, backgrounds, and layouts
- Edit and process all images ready for upload to our platform
- Run a shoot schedule to ensure partners go live with images
- Keep track of shoots
- Manage and maintain the in-house equipment to an excellent standard
- Photograph fire apparatus in various stages of the production process
- Share photographs via Dropbox with internal staff, customers, and dealers once or twice a week based on the rate of production
- Upload photos to a website that is WordPress based
- Answer incoming telephone calls in a courteous and professional manner
- Ensure the customer is satisfied by the time the call has ended

## Qualifications for product photographer

- High-level knowledge of Canon DSLR systems and Capture One
- A proactive and self-motivated attitude
- Ability to work autonomously and also within a team
- Effective and confident communication skills will compliment a highly motivated person, who will have the desire to achieve beyond what is expected of them
- Provide portfolio of original work - Editorial and E-Commerce
