

Example of Summer Intern Program Job Description

Powered by www.VelvetJobs.com

Our company is looking to fill the role of summer intern program. Thank you in advance for taking a look at the list of responsibilities and qualifications. We look forward to reviewing your resume.

Responsibilities for summer intern program

- Develop trust based relationships with key technology and functional leaders & stakeholders to drive focus on program objectives
 - Translate business requirements into tactical plans, lead and successfully execute the plan through strong collaboration and leadership
 - Utilize internal tools and agile mindset to create a collaborative environment that fosters autonomy, transparency, mastery, innovation and learning
 - Our intern will participate in various facets of the content acquisition process, but will concentrate on the research and historical analysis portion of this cycle
 - Research and historical analysis includes evaluation and monitoring of the broadcasting and cable markets (helping to determine what series and films are available and who's buying what), tracking major happenings within the competitive cable landscape to determine whether TEN is getting the most expansive grant of rights, identifying individual network programming needs and helping to determine what new content should be presented for licensing
 - Interns, if proven to be self-motivated, trustworthy and hardworking, may have the opportunity to be involved in deal negotiation
 - Gain new experiences related to your major
 - Participate in a world-renowned mobility company
 - Practice what you learn in class through hands-on applications
 - Network with professionals in your field of interest
-

- Liaise with partner contacts for event logistics
- Prepare and manage program premiums and inventory lists
- Assist in the creation and development of presentation materials and pre-event materials
- Support the development of event wrap up reports
- Currently enrolled in full-time bachelor's degree program, graduating in 2018
- Current Junior pursuing a business degree
