

# Example of Warehouse Selector Job Description

Powered by [www.VelvetJobs.com](http://www.VelvetJobs.com)

Our growing company is looking for a warehouse selector. We appreciate you taking the time to review the list of qualifications and to apply for the position. If you don't fill all of the qualifications, you may still be considered depending on your level of experience.

## Responsibilities for warehouse selector

- Pulls order according to sequencing on delivery route/run list and ensure usage of product with oldest date first
- Safely and accurately selecting product from directions provided through a voice headset
- Inspect empty pallets for damage, stack and move pallets with Power Jack or Forklift to the proper storage area
- Perform other similar duties as requested or assigned by supervisor
- Starting rate \$13.00 an hour - \$0.50 increase after 6 months
- Incentive pay for quantity and quality effective immediately
- Will do rotations between dry and freezer
- You'll start at \$17.03 per hour (includes a \$0.75 hourly night shift premium ...and it's paid weekly!) with a guarantee of \$2.00 incentive/hour (paid monthly) during your first 120 day training period
- Must be available on Sundays
- Selects various grocery, perishable, general merchandise

## Qualifications for warehouse selector

- Successfully pass our drug screen and background check requirements (criminal background check, yes – we do not check your credit score)
- Valid email so we can follow up with you and let you know what's happening next in the process

- Previous experience operating powered industrial equipment (i.e., Stand up forklift, pallet jacks, stock pickers, ) preferred
- Motorized Pallet Jack experience required
- Must be 18 years or older, high school diploma desired
