

Example of Wellness Consultant Job Description

Powered by www.VelvetJobs.com

Our growing company is hiring for a wellness consultant. We appreciate you taking the time to review the list of qualifications and to apply for the position. If you don't fill all of the qualifications, you may still be considered depending on your level of experience.

Responsibilities for wellness consultant

- Supporting the Sales Team in managing requests for wellness fairs and other events they attend
- Working with multiple objectives, conflicting priorities and complex issues in a fast-paced, high pressure environment
- Demonstrating knowledge of vendor contracting agreements with a proven ability to manage vendor relationships
- Interacting with peers to share experiences and challenges and brainstorm suitable solutions for clients both now and in the future
- Leads strategic employee wellness program implementation efforts in support of senior level management and sponsors
- Collaborates with local wellness lead to ensure consistency around wellness objectives across the region
- Accountable for the operational budget and employee wellness-related goals and metrics
- Provides analytical support for wellness programs and projects
- Leads the development and implementation of employee wellness toolkits and other supporting products in conjunction with the local wellness program leads
- Coordinate website content in conjunction with the website coordinator

Qualifications for wellness consultant

- Entry level professional
- 2-5 years prior finance/accounting experience in a fast-paced environment
- Prior budgeting, forecasting, and financial close process experience
- Existing knowledge of relational/multi-dimensional databases
